

Richard's Creative Workshop

Hello, Friends!

What's New

It's been a busy weekend, finishing off the build for my display piece. Not only did I finish the build but even got the first couple of base coats applied. [Painting has begun](#)

Forum [Shall I create a forum?](#)

I'm thinking of adding a forum, as much as I love sharing with you my creations, I would very much like to share yours. What do you think?

Bradford Science Festival

The Final Frontier

A date for your diary 18 – 21 JULY, 11.00 – 17.00

FREE FAMILY FESTIVAL. I will be exhibiting again and this time I have a Lunar

Scape where I want you to fill it with your ideas of what aliens would like!
Come down and join me, I would love to see you!

Kind regards,
Richard at Richard's Creative Workshop
